## MANY THANKS

To the people of Maysville and surrounding country for their kindness in extending to me such a liberal share of their patronage during the year just closed, which I am proud to say has been the most successful of my business life in Maysville. I assure all that I appreciate this kindness towards me to the fullest extent, and promise that I will make renewed efforts to serve them more faithfully and satisfactorily, if possible, during the year just begun. While my sales have been unusually large, I keep a close watch on my business, and at all times my stock will be found to be full and complete and of the very best the markets afford. My last shipment of those FANCY NEW CROP MOLASSES direct from the plantation just received. See the goods and get my prices before buying; I can please in both. FANCY FALL CATCH MACKEREL just received from Boston. No finer ever offered, and guaranteed full weight packages. Although coffee has advanced continuously for some time I am still in position, because of my very heavy purchases long ago of GREEN COFFEES, to sell at old prices; and you will find my 15c, 20c and 25c Coffees very much superior to any sold in Maysville, even at much higher prices. # Our Grand Annual Mid-Winter CLEARANCE SALE

Everybody recognizes in this annual event the greatest bargain opportunities of the year, and they are never disappointed. Adhering strictly to our policy never to carry stocks from one season to another causes this grand semi-annual slaughter. We believe in starting each season with a brand new stock. The heavy discount purchases we received this season will assist us in making this sale a towering triumph. Thousands upon thousands of dollars worth of fine Winter Footwear and Rubbers, hundreds of pairs of Slippers, remnants of the recent immense purchases, go on sale at **One-Third Their Actual Value.**

This is the season of the year when all broken lots, short and poor selling lines are crowded out of our store at one price or another. All this class of merchandise must find new owners at once, our store being closed all day yesterday to mark these goods to make this immense sacrifice. At this sale you will buy at retail at prices actually over than this immense organization can secure at factories on lots amounting to hundreds of thousands of dollars. We do not count it a loss during house-cleaning time; 's a gain to us as well as a gain to you. Read the bargain list and then you will realize why thousands of shoppers flock to these annual house-cleaning sales.
